\$ _____

Emergency medical form (reverse side) must be filled out and membership fees paid at time of registration.

If you want to coach, your background check must be completed before your first practice. Once coaches are picked more info about the background checks will be sent out.

NOTES TO PARENTS:

- The goal of the Ayersville Athletic Boosters summer ball program is to provide fun, safe baseball and softball to youth in the community. Teams are selected and drafted to be as equal as possible. Coaches are volunteers and selected based on availability and past coaching experiences. They are advised to teach some fundamentals and encourage good sportsmanship. Please respect the program, coaches, umpires and your opponents. **THANK YOU.**
- Every team in all leagues is assigned a few days to operate the concession stand. We expect at least one representative from every player's family help concessions when it is his/her team's time. Ask the coach to know the days and confirm the schedule when you should help. **THANK YOU.**
